in the years since the death of kim jong il and the formal acknowledgement of kim jong un as head of state the north korean regime has made a series of moves to further augment and consolidate the ideological foundations of kimism and cement the young leader s legitimacy historical narratives have played a critical if often unnoticed role in this process this book seeks to chronicle these historical changes and continuities continuity and change in north korean politics explores the stable and shifting political cultural and economic landscapes of north korea in the era of kim jong un the contributors deploy a variety of methodologies of analysis focused on the content narratives and discourses of politics under kim jong un tracing its historical roots and

contemporary practical and conceptual manifestations moving beyond most analyses of north korea s political and institutional ideologies the book explores uncharted spaces of social and cultural relations including children s literature fisheries grassland reclamation commemorative culture and gender by examining critical moments of change and continuity in the country s past it builds a holistic analysis of national politics as it is currently deployed and experienced demonstrating how historical political and cultural narratives continue to be adapted to suit new and challenging circumstances this book will be of interest to students and scholars of korean studies korean politics and asian studies

after a year of trading colorful barbs with the american president and significant achievements in north korea s decades long nuclear and missile development programs north korean leader kim jong un declared mission accomplished in november 2017 though kim s pronouncement appears premature north korea is on the verge of being able to strike the united states with nuclear weapons south korea has long been in the north korean crosshairs but worries whether the united states would defend it if north korea holds the american homeland at risk the largely ceremonial summit between us president donald trump and kim jong un and the unpredictability of both parties has not quelled these concerns and leaves more questions than answers for the two sides negotiators to work out the korean peninsula s security situation is an intractable conflict raising the question how did we get here in this book former north korea lead foreign service officer at the us embassy in seoul patrick mceachern unpacks the contentious and tangled relationship between the koreas in an approachable question and answer format while north korea is famous for its militarism and nuclear program south korea is best known for its economic miracle familiar to consumers as the producer of samsung smartphones hyundai cars and even k pop music and k beauty why have the two koreas developed politically and economically in such radically different ways what are the origins of a divided korean peninsula who rules the two koreas how have three generations of the authoritarian kim dictatorship shaped north korea what is the history of north south relations why does the north korean government develop nuclear weapons how do powers such as japan china and russia fit into the mix what is it like to live in north and south korea this book tackles these broad topics and many more to explain what everyone needs to know about south and north korea
