canada and germany are among the largest contributors to the international mission in afghanistan with troops in different parts of the country fulfilling different roles canada s higher ratio of combat to development work is reflected in a higher rate of casualties canadians have sometimes joined in criticisms of germany and other european allies for their unwillingness to take on riskier military tasks in afghanistan s southern and eastern provinces some germans in turn have chided canada for stressing war fighting at the expense of approaches more centred on development this canadian german dialogue reflects a larger debate both operational and existential within nato concerning afghanistan and the future of the alliance this collection of essays by leading german and canadian experts assesses the present state and future prospects of the afghanistan mission both to advance the dialogue and to suggest better approaches to the policy questions that continue to confront the alliance contributors include michael brzoska institute for peace research and security policy mike capstick canadian forces ret university of calgary mihai carp nato andrea charron royal military college rainer glassner university of duisburg essen david haglund queen s university roland kaestner leadership academy of the german armed forces florian kϕhn helmut schmidt university of the german armed forces janet kursawe german institute of global and area studies david law centre for democratic control of armed forces geneva citha maass german institute for international and security affairs kim nossal queen s university lara olsen university of calgary conrad schetter university of bonn christian reuter der stern and christian wagner german institute for international and security affairs

a fortnightly bulletin on financial and political trends

the eu engages in aspects of security sector reform ssr through eupol afghanistan the police mission launched in 2007 and through the european commission s contributions to justice reform in the country based on an analysis of past efforts at police reform by the eu and other european and international actors this occasional paper identifies a set of internal and external coordination challenges that hamper mission success internally institutional constraints have meant that the coordination of eu instruments has been difficult to achieve member states meanwhile have until recently focused primarily on bilateral contributions to police and justice reform in the case of germany and italy respectively or on their military contributions to the international security assistance force isaf externally the resource gap and differing philosophies underlying police reform on the part of the us the biggest contributor to police reform and the eu have meant that coordination has been lacking and existing coordination bodies unable to fulfil their tasks limited resources deployed in pursuit of police reform exacerbate these difficulties as inadequate commitments of political material and personnel resources all too often translate into a loss of political influence at the strategic level the paper therefore argues that only by improving coordination and by increasing resources and efforts at formulating and implementing joint strategies will the eu and its member states have a positive impact on ssr in afghanistan given the deteriorating conditions in the country the upcoming presidential elections and a renewed focus on afghanistan on the part of the us administration the eu and its member states would do well to step up their efforts and their commitment to reforming afghanistan s police and justice system

significantly updated in this edition this book discusses many family violence issues in a comprehensive and easy to understand format chapters begin with scenarios and include case studies in depth feature boxes and current events that connect difficult topics to real life situations this book contains a robust supplement package new internet based chapter exercises and end of chapter questions that address the changes in family violence practice policy and research some examples of new content include a new chapter on violence against women around the world section on research and sources of family violence data two chapters on child abuse chapter on adolescent perpetrators chapter on gay and lesbian partner abuse internet based exercises this is an ideal resource for individuals interested in the field of criminal justice criminology or sociology

the court s assessment of eupol afghanistan a civilian common security and defence policy csdp mission found that it had been partly effective in delivering its mandate while external factors may provide some explanation for this other shortcomings can be attributed to eupol

itself the court makes a number of recommendations applicable not only to eupol afghanistan but also to other csdp missions aiming to improve their effectiveness and the sustainability of the outcomes achieved back cover
